

Welcome to FLAP Chinese at  
La Costa Meadows Elementary School

Dear FLAP Parents,

Welcome to the second year of FLAP Chinese at La Costa Meadows Elementary School! This blog (<http://2011-12flapchinese-lcmelementary.blogspot.com/>) is where you can find information about what your child has learned and will learn each week during the year. Sentences and phrases they should know will be listed week by week. Program announcements and notices will be posted here as well. The blog can also serve as an additional means of communication between you and the FLAP program. You may post your comments by clicking "comments" near the end of the page. We will respond to you as quickly as possible. If you prefer, you may use the e-mail addresses provided below to send your comments to me or to your child's teacher.

In addition to classroom instruction, we will have two speech contests in Carrillo Elementary School and a Chinese New Year celebration during a Saturday (TBA) in January, 2012.

We wish you and your children a happy Chinese language learning experience during the upcoming year.

Sincerely,

Ms. Leemei Chen, FLAP-Chinese Coordinator,
